Watch Promo

Andrew Li Anastasio is not your average 7-year-old. Hailing from Houston, Texas, this young kart racer has already shown that he has what it takes to be a champion, with over 60 podium finishes and 25 first-place victories in his short yet illustrious racing career. Andrew fell in love with the world of racing at the tender age of 3 when he got his first go-kart. By the age of 4, he was already hitting the tracks, impressing everyone with his talent and determination.

Andrew carries the spirit of NASCAR legends like Richard Petty, Dale Earnhardt and Ross Chastain in his young heart, fueling his dreams and passion for motorsports. His journey has only just begun, and he has his eyes set on becoming a legend himself, one race at a time.
